

NATIONAL GOVERNMENT PERFORMANCE MONITORING, INFORMATION AND REPORTING SYSTEMS (Administrative Order No. 25 S. 2011)

MEMORANDUM CIRCULAR NO. 2022-1

March 24, 2022

- ALL HEADS OF DEPARTMENTS, BUREAUS, OFFICES AND OTHER TO GOVERNMENT. INCLUDING OF THE NATIONAL AGENCIES CONSTITUTIONAL COMMISSIONS, CONGRESS, THE JUDICIARY, STATE GOVERNMENT-OWNED OR-COLLEGES. UNIVERSITIES AND CONTROLLED CORPORATIONS, LOCAL WATER DISTRICTS, AND LOCAL GOVERNMENT UNITS
- SUBJECT: GUIDELINES ON THE GRANT OF THE PERFORMANCE-BASED BONUS (PBB) FOR FISCAL YEAR 2022 UNDER EXECUTIVE ORDER (EO) NO. 80, S. 2012 AND EO NO. 201, S. 2016

#### 1.0 PURPOSE

This Circular is being issued to prescribe the criteria and conditions on the grant of the PBB for FY 2022 performance, to be given in FY 2023. In FY 2021, a simplified scheme was adopted to strengthen the effectiveness of the existing incentive system and assist agencies in achieving the goals and expected outcomes of the government. Under the simplified scheme, the PBB criteria were classified according to the four dimensions of accountabilities. The good governance conditions were considered separate agency accountabilities. A scoring system for accomplishments was introduced, which also enables agencies to conduct self-assessment of their overall performance. The agency score was tied-up to the rates of incentives and higher threshold for individual performance rating was required in order to be eligible for the performance-based incentive.

The FY 2022 cycle shall continue to observe the simplified PBB scheme. The FY 2022 PBB will sustain focus on results especially on the delivery of agency performance commitments and optimum utilization of agency budget, and make stronger the roles of agencies in ensuring accountability for results of their delivery units. Further, the FY 2022 PBB shall measure and evaluate agency performance highlighting the public's satisfaction with the quality of public service delivery, utilization of resources, and strengthened agency stewardship. The FY 2022 PBB shall facilitate a more transparent and objective assessment of performance and timely release of the PBB to eligible agencies.

## 2.0 COVERAGE

The FY 2022 PBB covers all departments, bureaus, offices, and other agencies of the National Government, including Constitutional Commissions, Other Executive Offices (OEOs), Congress, the Judiciary, State Universities and Colleges (SUCs), Government-Owned or-Controlled Corporations (GOCCs), Local Water Districts (LWDs), and Local Government Units (LGUs). For the list of departments/agencies and SUCs enrolled in the FY 2022 PBB, please refer to Annex 1: Master List of Departments/Agencies and State Universities and Colleges.

- 2.1 The implementation of this Circular shall be done in close coordination with the following agencies:
  - Department of Budget and Management (DBM) for the Departments and attached agencies;
  - b. Office of the President-Office of the Executive Secretary (OP-OES), Office of the Cabinet Secretary (OP-OCS), and DBM for OEOs, including the OP-attached agencies and the GOCCs covered by the DBM;
  - c. Commission on Higher Education (CHED) for SUCs;
  - Governance Commission for GOCCs (GCG) for GOCCs covered by Republic Act (RA) No. 10149;
  - e. Local Water Utilities Administration (LWUA) for LWDs; and
  - Department of the Interior and Local Government (DILG) for LGUs.

Accordingly, consistent with this Circular, the DILG, the LWUA, and the GCG shall issue separate guidelines for the grant of the FY 2022 PBB for LGUs, LWDs, and GOCCs covered by RA No. 10149, respectively, containing the specific targets/requirements to be satisfied by their covered agencies.

2.2 The personnel of agencies holding regular, contractual, and casual positions are covered by this Circular. Excluded from the coverage herein are individuals engaged without employer-employee relationship and funded from non-Personnel Services budget.

#### 3.0 ELIGIBILITY CRITERIA

To be eligible for the grant of the FY 2022 PBB, each agency must satisfy the criteria and conditions under the four (4) dimensions of accountability: **Performance Results**, **Process Results, Financial Results, and Citizen/Client Satisfaction Results** and attain a total score of at least 70 points, and achieve at least a rating of 4 for at least three (3) criteria based on the PBB Scoring System as will be discussed in detail in Section 4.0.

Similar to FY 2021 PBB, the **Performance Results** refer to the accomplishment of the Congress-approved performance targets under the Performance-Informed Budgeting (PIB) of the FY 2022 General Appropriations Act (GAA). The **Process Results** refer to the achievements in ease of doing business/ease of transaction with the agency as a result of streamlining, standardization *e.g., through the ISO-certified QMS or its equivalent,* digitization, systems and procedures reengineering, and other related improvements. The **Financial Results** refer to the actual spending of the agency's budget allotment vis-à-vis the realization of the committed programs and projects

based on the FY 2022 GAA. The Citizen/Client Satisfaction Results refer to the achievements in satisfying the quality expectations of the transacting public/client.

For FY 2022 PBB, the Agency Accountability requirements as discussed in Section 5.0 are retained and shall be used as the basis in determining the eligibility of responsible units and individuals.

## 4.0 FY 2022 PBB TARGETS, ASSESSMENT, AND SCORING SYSTEM

The agency accomplishments for each of the criteria shall be rated using a scale of 1 to 5 (where 5 is the highest). Each criterion has an assigned weight, as shown in Table 1. The maximum score that may be obtained by the agency is 100 points. To be eligible for the FY 2022 PBB, the agency must attain a total score of at least 70 points, and achieve at least a rating of 4 for at least three (3) criteria.

| TABLE 1: FY 2022 PBB SCORING SYSTEM    |        |                    |           |           |           |           |
|--|--------|--------------------|-----------|-----------|-----------|-----------|
| CRITERIA AND                           |        | PERFORMANCE RATING |           |           |           |           |
| CONDITIONS                             | WEIGHT | 1                  | 2         | 3         | 4         | 5         |
| Performance Results                    | 5      | 5 points           | 10 points | 15 points | 20 points | 25 points |
| Process Results                        | 5      | 5 points           | 10 points | 15 points | 20 points | 25 points |
| Financial Results                      | 5      | 5 points           | 10 points | 15 points | 20 points | 25 points |
| Citizen/Client Satisfaction<br>Results | 5      | 5 points           | 10 points | 15 points | 20 points | 25 points |

As can be gleaned in Table 1, a performance rating of 4 in all criteria will yield a total score of 80 points for the agency. In case the agency fails to meet a rating of 4 in at least three (3) criteria, the unit most responsible (including its head) for the criteria with a performance rating of below 4 will be isolated from the grant of the FY 2022 PBB.

- 4.1 Performance Results. The targets under Performance Results enable agencies to concentrate their efforts and available resources on their mandates and core functions, as well as ensure delivery of high quality and high impact activities.
  - For NGAs, GOCCs covered by the DBM, and SUCs, achieve each one of the Congress-approved performance targets under the PIB of the FY 2022 GAA;
  - b. For GOCCs covered by RA No. 10149, achieve the physical targets reflected in their approved FY 2022 Performance Scorecard and eligibility requirements specified in a separate guideline to be issued by the GCG;
  - c. For LWDs, achieve each one of the physical targets as identified by LWUA through separate guidelines; and,
  - d. For LGUs, achieve the performance targets based on the Guidelines on the Grant of the PBB for LGUs to be issued by the DILG and DBM.

The agency performance in the achievement of targets shall be closely monitored through the use of the Unified Reporting System (URS) - generated Budget and Financial Accountability Reports (BFARs), which should be submitted in a timely manner, *i.e.*, within thirty (30) days after the end of each quarter, as provided under Item 3.19.2 of DBM National Budget Circular No. 587, pursuant to Section 99, General Provisions of Republic Act No. 11639 (FY 2022 GAA), to indicate the progress towards the accomplishment of broader sectoral and societal accomplishment of broader sectoral and societal accomplishment of Filipinos.

BFARs will be used to monitor and validate agency accomplishments. For deficiencies or non-attainment of FY 2022 targets, justifications must be submitted together with the prescribed BFAR forms to the Commission on Audit (COA), the DBM, and the Bureau of Treasury (BTr), as applicable through the DBM URS, thirty (30) days after the end of the 4<sup>a</sup> quarter of FY 2022.

The requirements under Performance Results shall be assessed and scored as follows:

| 1  | 2  | 3   | 4   | 5  |

4.2 Process Results. The target under Process Results is the greater ease of transaction of core services based on mandated functions (external) covering government-to-citizens (G2C), government-to-businesses (G2B), and government-to-government (G2G) transactions, and the administrative and supporting services (internal) within the agency.

The ease of transaction of critical external and internal services may be achieved through streamlining; standardization of core processes including those implemented at the Regional, Satellite, and Extension Offices; digitization e.g., by developing electronic or online paperless systems, new service delivery channels, contactless transactions; and systems and procedures reengineering for faster, easily accessible, seamless, and more efficient public service delivery.

4.2.1 For FY 2022, the target will be substantive improvements in ease of doing business/ease of transaction with respect to two (2) critical services consisting of one (1) core service (external) based on the mandated function of the agency and one (1) support/administrative service (internal) as declared in the agency's/SUC's updated Citizen's Charter and in line with the Anti-Red Tape Authority (ARTA)'s Whole-of-Government (WOG) Reengineering Manual.

In the process of improving the services of agencies and in promoting the WOG approach in the bureaucracy, the ARTA enjoins all government agencies to adopt the WOG Reengineering Manual as a tool in the reengineering of government services which focuses on the reengineering of systems and procedures. It aims to support government agencies towards a new way of service delivery, giving better services for citizens

through improvements in government agencies working in a more integrated, WOG approach.

As defined in ARTA MC 2019-002-A<sup>1</sup>, the services may be categorized based on the following:

- a. External services refer to government services applied for or requested by external citizens or clients or those who do not form part or belong to the government agency or office.
- b. Internal services refer to government services applied for or requested by internal clients or individuals who are within the respective government agency or office, such as, but not limited to, its personnel or employees, whether regular or contractual. Internal services include services such as, but are not limited to, backend/support services to regulatory functions related to permitting, licensing, and issuance of a privilege, right, reward, clearance, authorizing, or concession.
- 4.2.2 In selecting the critical services to be prioritized by the agency (and which will be validated later by the ARTA for purposes of determining eligibility for the PBB), the following factors shall be considered. The selected critical service is:
  - a. A core service which is a process needed to achieve the overall mission and objectives of the public sector organization. These services may refer to those that are aligned with the agency's mandate and main functions.
  - b. The most complained service with the greatest number of complaints received by the agency and other complaints-handling agencies.
  - c. The service/s with the greatest number of pending transactions or backlogs that went beyond its prescribed processing time as declared in the agency's Citizen's Charter.
  - d. A service that generates income/revenue for the government.
  - A service attributable to the Major Final Outputs (MFOs)/Programs of agencies.
  - f. A service that involves inter-agency action to complete the transaction.
  - 4.2.3 The agencies and SUCs may use the concepts and tools indicated in the WOG Reengineering Manual in their reengineering efforts and may refer to the submitted *initial Reengineering Plan* to ARTA as the basis in prioritizing areas for improvement. The results of the implemented reengineering plan shall be reported through Annex 2: Modified Form A which also contains a guide in accomplishing said form. Agencies and

<sup>&</sup>lt;sup>1</sup> Supplemental Guidelines on ARTA Memorandum Circular No. 2019-002 s., 2019 Guidelines on the Implementation of the Cilizen's Charter in Compliance with RA No. 11032

SUCs must report objectively verifiable evidence of achievements in ease of doing business/ease of transaction using Annex 2.

The report should highlight the tangible improvements from the viewpoint of the transacting public/client in terms of access, turnaround time, transaction costs, documentary and other requirements. Proof or evidence may be any of the following:

- ISO-QMS certification or equivalent certification, which covers the a. selected critical external and internal services. The ISO-QMS certification or equivalent certification of critical external and internal services of the agency must be valid as of 31 December 2022. The certificate must indicate the scope of certification. It is reminded that agencies must pursue continued certification, i.e., ensure that there is no gap or minimal gap in terms of the expiration of its previous certification and the effectivity date of its existing certification, except with justifiable reasons, e.g., change of certification body which may cause a gap in the certification. For specific details on the validation of ISO QMS certification submitted as evidence or requirement, and the list of the acceptable ISO QMS and equivalent certifications, please refer to Annex 3 Guidelines on the validation of ISO Quality Management System (QMS) Certification/Recertification.
- b. Most current and updated Citizen's Charter, reflecting the agency's improved and streamlined/re-engineered system and procedure for all its government services to citizens, businesses, and government agencies as prescribed by ARTA.
- c. Report on the digitization initiatives or digital transformation of external and internal services through the development of electronic or online and/or paperless application systems, payment systems, new service delivery channels, contactless transactions, and other process improvements using information technology. The report should highlight the tangible results of digitization in terms of ease of doing business or ease of transaction from the point of view of the transacting public/client.
- d. Standard operating procedures, manual or documentation of service delivery standards for frontline and non-frontline services of the agency, including those implemented at the Regional, Satellite, and Extension Offices. The report should highlight the tangible results of standardization of the frontline and non-frontline services in assuring ease of transaction and doing business with the agency.

Targets under Financial Results reflect final payments made from the agency's annual budget allotment to realize their committed programs and projects based on the valid appropriations for FY 2022. Hence for FY 2022, agencies shall accomplish the following Disbursements BUR:

4.3.1 Disbursements BUR – is measured by the ratio of total disbursements (cash and non-cash, excluding Personnel Services) to the total obligations for Maintenance and Other Operating Expenses (MOOE) and Capital Outlays (CO) made in 2022, net of goods and services obligated by December 31, 2021, but paid only in 2022. The total obligations for MOOE and CO shall refer to those made from the current appropriations under the FY 2022 GAA and the continuing appropriations under FY 2021, respectively. The objective is to measure the disbursements for the obligations for MOOE and CO made in 2022 from all valid appropriations. Transfers to other agencies shall not be considered as disbursements until such time such transferred funds have been actually utilized for payment, inspection and acceptance of goods delivered and services rendered. Hence:

## 4.3.2 BUR for GOCCs is computed as follows:

Disbursements BUR = Total Actual Disbursement/Total Actual Obligations (both net of Personnel Services)

4.3.3 Agencies with fund transfers either for operating or program subsidies or both shall also achieve and report the same Disbursements BUR for NGAs for all the subsidy releases for FY 2022 from the aforementioned appropriations sources.

#### 4.3.4 BUR for SUCs is computed as follows:

- Disbursements BUR is the same as the computation under Section 4.3a.
- b. Since all earmarked income of the SUCs (e.g., trust funds, internally generated income, and revolving funds) should benefit and improve the SUCs operations, its Disbursements utilization rates will also be reported following the formats in Annexes 4, 4.1, and 4.2: FY 2022 GAA Accomplishments, BUR Form for SUCs, and All Earmarked Income.

Same as the Performance Results, the agencies must ensure the submission of the quarterly BFARs through the DBM-URS, in a timely manner within thirty (30) days after the end of each quarter. The submitted FY 2022 Financial Accountability Reports (FAR) No.1 Statement of Appropriations, Allotments, Obligations, Disbursements, and Balances (SAAODB) shall be the basis in determining the FY 2022 BUR accomplishment of agencies.

The requirements under the Financial Results shall be assessed and scored as follows:

- 4.4 Citizen/Client Satisfaction Results. For NGAs, GOCCs covered by the DBM, and SUCs, accomplish and submit reports on the Citizen/Client Satisfaction Survey (CCSS), and resolve all reported complaints from Hotline #8888 and Contact Center ng Bayan (CCB); and for LWDs and GOCCs covered by RA No. 10149, accomplish and submit reports on Client Satisfaction or feedback system as prescribed by LWUA and GCG.
  - 4.4.1 For evidence on the citizen/client satisfaction results, agencies may report the results of the CCSS using Annex 5. Said report should follow the prescribed requirements and rating scale as stated in Annex 5. The report should include a description of the methods and rating scale used in determining the FY 2022 Overall Satisfaction Score for its services. The agencies shall report the overall agency rating in the service quality dimensions and overall agency citizen/client satisfaction score for the reported services.

LWDs and GOCCs covered by RA No. 10149 shall report the results of their CCSS or feedback mechanism based on the standard methodology and corresponding questionnaire prescribed by LWUA and GCG.

4.4.2 Resolution and compliance to reported complaints from Hotline #8888 and Contact Center ng Bayan (CCB). Agencies shall ensure the resolution of all complaints and grievances reported to Hotline #8888 and CCB, and their *compliance* to the 72-hour prescribed period to take actions on complaints as provided in EO No. 6, s. 2016.

Reported complaints and grievances shall cover government service and procedures of the agencies, acts of red tape, corruption, and/or other interferences to public service delivery by any government agency, individuals, or instrumentalities.

To provide evidence on this, agencies may submit a report summarizing the Hotline #8888 and CCB complaints received in FY 2022 and their status if resolved or pending. The validation shall be complemented with reports and collected data on feedback and complaints from citizens/clients gathered by the Office of the President, Presidential Management Staff, Civil Service Commission, and Presidential Communications Operations Office from Hotline #8888 and CCB databases, as well as the Freedom of Information (FOI) portals.

To determine the resolution and compliance rates to Hotline #8888 and CCB complaints, agencies may refer to *item IV of Annex 5 or* with the definitions provided *in Section 2.4.2c of MC No. 2021-2.* 

The requirements under the Citizen/Client Satisfaction Results shall be assessed and scored as follows:

5.0 AGENCY ACCOUNTABILITIES. To sustain the institutionalization of compliance to existing government-mandated laws and standards, agencies and their Performance Management Team (PMT) shall continue to implement, monitor, and enforce compliance with the following requirements within their agencies. - 5.2 Directing the Adoption and Implementation of the National Competition Policy (NCP). All agencies are directed to adopt and implement, following their respective mandates, the NCP and its key elements, as contained in the National Economic and Development Authority and Philippine Competition Commission (PhCC) Joint Memorandum Circular No. 01-2020, s. 2020. Covered agencies as identified in Annex 9 shall:
  - review at least one (1) policy, issuance, rules, and/or regulations relevant to market competition based on the application of the Competition Impact Assessment (CIA) by 30 November 2022;
  - b. designate a focal person/unit for NCP implementation;
  - c. record attendance of a focal person and his/her team to trainings on the CIA tool and other competition law-related seminars; and
  - provide a list of agency's policy issuances, rules and/or regulations relevant to market competition. See Annex 9.1

If there are no such relevant policy issuances, rules, and/or regulations, a certification signed by the head of agency stating that there is none, shall be submitted. See Annex 9.2

While the above-mentioned conditions are no longer required in determining the overall PBB eligibility of agencies, compliance with these conditions shall be used as the basis in determining the eligibility of responsible units and individuals. Agencies should submit these legal requirements directly to the validating agencies.

## 6.0 ELIGIBILITY OF DELIVERY UNITS AND INDIVIDUALS

- 6.1 For FY 2022 PBB, similar to FY 2021 PBB, the delivery units (DUs) of eligible agencies shall no longer be ranked. However, the unit/s most responsible for deficiencies shall be isolated.
  - 6.1.1 Based on Table 1, to be eligible for the FY 2022 PBB, the agency must attain a total score of at least 70 points and achieve at least a rating of 4 for at least three (3) criteria. To be able to attain at least 70 points, the agency should achieve a performance rating of 4 in at least three (3)

criteria. In case the agency fails to meet a rating of 4 in at least three (3) criteria, the unit/s most responsible (including its head) for the criteria stated in Section 3.0 with a performance rating of below 4 will be isolated from the grant of the FY 2022 PBB.

- 6.1.2 The unit/s most responsible (including its head) for the non-compliance with the Agency Accountabilities provided in Section 5.0 shall also be isolated from the grant of the FY 2022 PBB.
- 6.2 Eligible DUs shall be granted FY 2022 PBB at uniform rates across the agency, including its officials and employees. The corresponding rates of the PBB shall be based on the agency's achieved total score as shown in Section 7.0.
- 6.3 To be eligible for FY 2022 PBB, employees belonging to the First, Second, and Third Levels should receive a rating of at least "Very Satisfactory" based on the agency's CSC-approved Strategic Performance Management System (SPMS) or the requirement prescribed by the CESB.
- 6.4 Department Secretaries, Heads of OEOs, Chairpersons, and Commissioners of Constitutional Offices, Heads of Attached Agencies, Presidents of SUCs, and non-ex officio Heads of GOCCs covered by the DBM are eligible only if their respective agencies are eligible. If eligible, their PBB rate for FY 2022 shall be equivalent to the rates as stated in Section 7.0 and shall be based on their monthly basic salary (MBS) as of December 31, 2022.
- 6.5 Non-ex officio Board Members of GOCCs covered by the DBM may be eligible to the PBB with the equivalent rates following Section 7.0 and these conditions:
  - The GOCC has gualified for the grant of the FY 2022 PBB;
  - b. The Board Member has 90% attendance to duly called board meetings and committee meetings as certified by the Board Secretary;
  - c. The Board Member has nine (9) months aggregated service in the position; and
  - d. The GOCC has submitted the appropriate annual Board-approved Corporate Operating Budget to DBM following the Corporate Budget Circular No. 22 dated December 1, 2016.
- 6.6 For SUCs, in case there is a change in leadership within the year, the SUC President who served the longest shall be entitled to the PBB with the equivalent rates following the provisions stated in Section 7.0.

The PBB rate of the SUC President who served for a shorter period shall be based on the eligibility of the SUC where he/she served the longest.

- 6.7 To be eligible for FY 2022 PBB, employees belonging to the First, Second, and Third Levels should receive a rating of at least "Very Satisfactory" based on the agency's CSC-approved Strategic Performance Management System (SPMS) or the requirement prescribed by the Career Executive Service Board (CESB).
- 6.8 Personnel in detail to another government agency for six (6) months or more shall be included in the recipient agency that rated his/her performance. The payment of the PBB shall come from the mother agency.

- 6.9 Personnel who transferred from one government agency to another agency shall be included by the agency where he/she served the longest. If equal months were served for each agency, he/she will be included in the recipient agency.
- 6.10 Officials and employees who transferred from government agencies that are non-participating in the implementation of the PBB shall be rated by the agency where he/she served the longest; the official/employee shall be eligible for the grant of the PBB on a pro-rata basis corresponding to the actual length of service to the participating implementing agency, as stated in Section 6.12.
- 6.11 An official or employee who has rendered a minimum of nine (9) months of service during the fiscal year and with at least a Very Satisfactory rating may be eligible for the full grant of the PBB.
- 6.12 An official or employee who rendered less than nine (9) months but a minimum of three (3) months of service and with at least a Very Satisfactory rating shall be eligible for the grant of the PBB on a pro-rata basis corresponding to the actual length of service rendered, as follows:

| AND PERCENTAGE OF I             |          |
|---------------------------------|----------|
| LENGTH OF SERVICE               | % OF PBB |
| 8 months but less than 9 months | 90%      |
| 7 months but less than 8 months | 80%      |
| 6 months but less than 7 months | 70%      |
| 5 months but less than 6 months | 60%      |
| 4 months but less than 5 months | 50%      |
| 3 months but less than 4 months | 40%      |

- b. Retirement;
- c. Resignation;
- d. Rehabilitation Leave;
- e. Maternity Leave and/or Paternity Leave;
- f. Vacation or Sick Leave with or without pay;
- g. Scholarship/Study Leave; and/or

- 6.14 Personnel found guilty of administrative and/or criminal cases by final and executory judgment in FY 2022 shall not be entitled to the PBB. If the penalty meted out is only a reprimand, such penalty shall not cause the disqualification to the PBB.

- 6.15 Officials and employees who failed to submit the 2021 SALN as prescribed in the rules provided under CSC Memorandum Circular No. 3 s. 2015; or those who are responsible for the non-compliance with the establishment and conduct of the review and compliance procedure of SALN, shall not be entitled to the FY 2022 PBB.
- 6.16 Officials and employees who failed to liquidate all cash advances received in FY 2022 within the reglementary period, as prescribed in COA Circular 97-002 dated February 10, 1997, and reiterated in COA Circular 2009-002 dated May 18, 2009, shall not be entitled to the FY 2022 PBB.

## 7.0 RATES OF THE PBB

The total score as stated in Section 4.0 shall be the basis in determining the amount of the PBB an agency is eligible for. The maximum rate of the PBB for agencies that will achieve 100 points shall be 100% of the 65% MBS of an individual as of December 31, 2022. For illustration, see Table 6 below:

### Annex 3

### GUIDELINES ON THE COMPLIANCE WITH, AND VALIDATION OF, ISO QUALITY MANAGEMENT SYSTEM (QMS) CERTIFICATION/RECERTIFICATION

This annex shall serve as guidelines for agencies wherein the ISO QMS certification/ recertification is the **ultimate requirement**, and for agencies wherein the ISO QMS certification/recertification **could serve as evidence**, for the *Process Results* criterion.

### 1.0 GUIDELINES IN DETERMINING COMPLIANCE WITH THE ISO QMS CERTIFICATION/RECERTIFICATION

1.1 Only a valid ISO 9001:2015 QMS certification/recertification or the latest version of the ISO 9001 certification is considered as compliance with the subject requirement.

Should a new version of the ISO 9001 be available during the year, agencies are encouraged to endeavor in migrating to said latest version as soon as possible.

The certifications/recertifications must be valid as of December 31, 2022, i.e., effectivity date indicated in the certificate. Accordingly, certifications/recertifications with an effectivity date starting January 1, 2023 onwards **shall not be considered** as compliance with said requirement.

Agencies are reminded that they must pursue **continued certification**, i.e., ensure that there is no gap or minimal gap in terms of the expiration of its previous certification and the effectivity date of its existing certification, except with justifiable reasons, e.g., change of certification body (CB) which may cause gap in the certification.

- 1.2 The scope of the QMS indicated in the agency's ISO QMS certification shall be as follows:
  - a. For departments/agencies and state colleges and universities (SUCs), it shall include two (2) critical services consisting of one (1) external core service and one (1) internal service.

The definition of the external and internal services, as well as the parameters in identifying critical services, are enumerated under items 4.2.1 and 4.2.2 of AO 25 Memorandum Circular (MC) No. 2022-1, respectively.

- b. For government-owned or-controlled corporations (GOCCs) under Governance Commission for GOCCs (GCG) and local water districts (LWDs) under Category A and B, the scope of their certification shall be based on the guidelines to be issued by the GCG and Local Water Utilities Administration (LWUA), respectively.
- 1.3 The ISO QMS certifications must be issued by any of the CBs accredited by the International Accreditation Forum (IAF) member.

However, the CBs which are duly **accredited by the Department of Trade and Industry - Philippine Accreditation Bureau (DTI-PAB)**<sup>1</sup> to certify the agencies' ISO QMS shall be preferred for the latter's provision of certain degree of control over CBs engaged by government agencies on their ISO QMS certification. This will better address the challenges in the validation process on acquiring information from CBs, among others. The DTI-PAB, aside from being an IAF member, is the recognized national accreditation body in the Philippines pursuant to Executive Order No. 802, s. 2009<sup>2</sup>.

Beginning FY 2023, government agencies which are still in its certification journey or those which have expiring/expired contract, shall endeavor to obtain their certification/recertification from CBs accredited by the DTI-PAB.

- 1.4 The CBs contracted shall have been accredited to audit and certify QMS for the specified scopes which are deemed relevant to the nature and functions of the agency e.g., accreditation under ISO 9001 QMS for IAF 36 (Public Administration), IAF 37 (Education), and/or IAF 38 (Health and Social Work).
- 1.5 Letters of attestation or similar documents issued by CBs indicating that certification/recertification audits have been completed but still subject to approval of their Certificate Decision Maker<sup>3</sup> will not be considered as compliance to the ISO QMS certification requirement.
- 1.6 As an alternative, ISO QMS-equivalent certifications are considered as compliance with the subject requirement. The following

The list of the CBs accredited by DTI-PAB could be accessed at the DTI webpage.

<sup>(</sup>http://pabaccreditation.dtl.gov.ph/public/public\_mscb.php).

<sup>&</sup>lt;sup>2</sup> Strengthening and Recognizing the Philippine Accreditation Office Attached to the Department of Trade and Industry as the National Accreditation Body dated May 18, 2009

<sup>&</sup>lt;sup>3</sup> As provided under Clause 9.5 Certification Decision of ISO/IEC 17021-1:2015 (Conformity assessment – Requirements for bodies providing audit and certification of management systems), the CB shall ensure that the persons or committees that make the decisions for granting or refusing certification, expanding or reducing the scope of certification, suspending or restoring certification, withdrawing certification or renewing certification are different from those who carried out the audits. Moreover, the Certificate Decision Maker may seek additional information or clarification from the audit team or other sources during its technical review with respect to, among others, the certification requirements, scope of certification, and the client's corrections and corrective actions for nonconformities, if any.

certifications/awards are considered equivalent to ISO 9001 certification inasmuch as they similarly ensure consistency of quality of products and services through quality processes enabling the provision of better service delivery and thereby enhancement of public sector performance:

- Philippine Quality Award (PQA)/Recognition (for specific office concerned)
- > ISO/IEC 17025 or 17020 Accreditation
- Accrediting Agency of Chartered Colleges and Universities in the Philippines, Inc. (AACCUP)'s Institutional Accreditation (for SUCs)
- Accreditation Canada International's Qmentum International Gold Award (for hospitals)
- Supreme Audit Institutions (SAI) Performance Measurement Framework (PMF) of the International Organization of SAIs (for the Commission on Audit)
- Universal Postal Union's Quality Management Certification (for Philippine Postal Corporation)
- 1.7 On the other hand, certifications not included in the list will not be accepted as equivalent to ISO 9001 certification and could not serve as compliance/evidence to the *Process Results* criterion.
- Nonetheless, for departments/agencies and SUCs, they may opt to use other forms of evidence for the *Process Results* criterion as enumerated under item 4.2.3 of AO 25 MC No. 2022-1.

### 2.0 RESPONSIBILITIES OF PARTICIPATING AGENCIES

- 2.1 These responsibilities shall apply to agencies which will use the ISO QMS as a requirement/evidence for the *Process Results* criterion.
- 2.2 As stated in the notes of Modified Form A (columns 8 and 9) referred as Annex 2 of AO 25 MC No. 2022-1, the agencies concerned must indicate the **details of the certification with justifications**, e.g., the ISO QMS certification covers (i) internal service only, (ii) external service only, (iii) external but non-priority core service and internal service, and/or (iv) priority external core service and internal service.

Additional sheet/s may be provided for supporting information that would serve as justification.

2.3 To reiterate the required submissions, for the departments/agencies and SUCs, the deadline of **submission** of the Modified Form A, together with the copy of said ISO certification/recertification and other pertinent documents as necessary, to the AO 25 Secretariat for the *Process Results* criterion shall **not be later than February 28, 2023,** consistent with item 8.2 of AO 25 MC No. 2022-1.

For GOCCs covered by the GCG and LWDs, the deadline of the submission of forms and/or posting of the ISO QMS certification/recertification in their respective websites, as applicable, shall be based on the guidelines to be issued by the GCG and LWUA, respectively.

- 2.4 In order to facilitate the conduct of the final validation of the submitted ISO certification/recertification with the CBs, agencies shall:
  - Include a provision in the contract with the winning CB that they shall accommodate requests of Government Quality Management Committee (GQMC)-DBM Secretariat, i.e., Systems and Productivity Improvement Bureau (SPIB) and/or other oversight<sup>4</sup>/validating agencies for information or documents relative to their ISO QMS certification/recertification; or
  - Submit an authorization and consent to the CBs, attached as Annex 3.1 to provide information/documentation to the GQMC-DBM Secretariat and/or oversight/validating agencies relative to their ISO QMS certification/recertification.

Copy of the contract or authorization and consent form, shall be submitted to their respective CBs, copy furnished the DBM-SPIB at <u>dbm-spib@dbm.gov.ph</u> on or before **31 January 2023 or within fifteen (15)** working days from the issuance of the Notice to Proceed by the agency to the CB, whichever comes earlier.

Said authorization and consent form should be updated every time there will be a change in the head of the agency or authorized representative.

### ANNEX 5

### CITIZEN/CLIENT SATISFACTION SURVEY

#### I. Rationale

The AO25 IATF aims to continually achieve a government-wide improvement through seamless public service delivery. In achieving this, service quality standards in delivering frontline services, doing business with the government, industries, various sectors, and the citizens must be institutionalized across all government agencies.

Measuring and reporting the satisfaction level of citizens/clients that were served in FY 2022 is vital in ensuring that these standards are attained. For FY 2022 PBB, agencies should report the fulfillment of their services through a **Citizen/Client Satisfaction Survey (CCSS)** report. This shall generate verifiable data and tangible evidence to assist agencies to determine the effectiveness of implemented ease of transaction and process improvements through identified indicators or service dimensions that were identified by the agencies and the citizens/clients they serve.

#### II. Guide in conducting the Citizen/Client Satisfaction Survey

Agencies are encouraged to observe the following procedures in conducting the CCSS:

#### 1. Data Gathering Methodology

The agency should select the data collection methodology/ies deemed as the most efficient and effective way of gathering citizen/client feedback.

#### 2. Respondents Criteria

The set characteristic of the respondent/s must be clearly identified by the agencies to properly represent the citizens/clients served for each service, and to collect accurate data.

#### 3. Survey Sampling Coverage

Agencies should ensure that the sampling coverage of the CCSS would best represent the total population of its citizens/clients served for each service. It is important to note that the sampling frame should be able to accurately capture all units in the target population to avoid under coverage and/or over coverage. The total sample respondents will be compared with the data on the total citizens/clients served provided by the agency for statistical comparability.

#### 4. Sampling Procedure

A systematic random sampling is the preferred sampling procedure. Due to budget and time constraints, agencies may set a limit on the sample size of the CCSS.

#### 5. Survey Instrument/Questionnaire

Agencies should develop survey instruments fit for each of its services. A lean and harmonized measurement tool for citizen/client satisfaction may be used. Government agencies can customize their tool for relevance and effectiveness and for measuring the satisfaction level and progress over time to sustain continuous organizational and service delivery improvement.

> Page 1 of 5 Annex 5

#### 5.1 Service Quality Dimensions

The CCSS must capture the total citizen/client experience, expectations, and satisfaction in the delivered public service with the following service quality dimensions:

- Responsiveness the willingness to help, assist, and provide prompt service to citizens/clients.
- b. Reliability (Quality) the provision of what is needed and what was promised, following the policy and standards, with zero to a minimal error rate.
- c. Access & Facilities the convenience of location, ample amenities for comfortable transactions, use of clear signages and modes of technology.
- d. Communication the act of keeping citizens and clients informed in a language they can easily understand, as well as listening to their feedback.
- e. Costs the satisfaction with timeliness of the billing, billing process/es, preferred methods of payment, reasonable payment period, value for money, the acceptable range of costs, and qualitative information on the cost of each service.
- Integrity the assurance that there is honesty, justice, fairness, and trust in each service while dealing with the citizens/clients.
- g. Assurance the capability of frontline staff to perform their duties, product and service knowledge, understanding citizen/client needs, helpfulness, and good work relationships.
- Outcome the extent of achieving outcomes or realizing the intended benefits of government services.

#### 5.2 Rating Scale

For a deeper understanding of citizen/client perception of agency services, the agencies may opt to include questions pertaining to the importance of attributes or agreements to statements. A **5-point Likert scale** is recommended to be used depending on the question/s asked. Here are some sample scales:

Table 1:

| Very<br>dissatisfied | Dissatisfied | Neither<br>satisfied nor<br>dissatisfied | Satisfied | Very<br>satisfied |
|----------------------|--------------|--|-----------|-------------------|
| 1                    | 2            | з  | 4         | 5                 |

### 6. Data Analysis

The results of the survey shall be analyzed by service, and by applicable service quality dimensions. Agencies shall also report the overall agency rating in the service quality dimensions and the overall agency citizen/client satisfaction score.

#### GUIDELINES ON PHILGEPS POSTING

Maintain/Update the PhilGEPS posting of all Invitations to Bids and awarded contracts pursuant to the Government Procurement Reform Act, Republic Act No. 9184, for transactions from January 1, 2022 to December 31, 2022, including the Early Procurement of FY 2022 Non-CSE items.

Departments/agencies should ensure that the status of notices in the PhilGEPS System for all transactions for the period January 1, 2022 to December 31, 2022, including the Early Procurement of FY 2022 Non-CSE items, is updated on or before January 31, 2023. Failed or cancelled bid status should still be updated in PhilGEPS.

Agencies should track their status through the PhilGEPS microsite link for monitoring purposes: <u>https://open.philgeps.gov.ph/pbb.</u> In the generated Excel report, bid notices will only be tagged as COMPLY if the Notice of AWARD and the Notice to Proceed have been posted. Likewise, those NOTICES with multiple lots and PARTIALLY AWARDED, FAILED and CANCELLED NOTICES will also be considered COMPLY.

If the agency is unable to update the system or post the BAC Resolution, Notices of Award/Bid Results, Actual Approved/Awarded Contracts and Notices to Proceed/Purchase Orders for public bidding transactions above one million (P1,000,000) in the PhilGEPS due to factors that are outside of their control, the agency is no longer required to submit a letter of justification to PhilGEPS/AO25 IATF.

The Agency Head, with the help of its Performance Management Teams, shall continue to implement, monitor, and enforce compliance with the PhilGEPS requirements. Justification shall be subject to the self-assessment of the agency whether acceptable or not. Compliance with these conditions shall still be used as the basis in determining the eligibility of responsible units and individuals.
